

4th Grade Supply List 2023-2024

This year, students will be rotating between four classes each day. Since all teachers will see every student each day, we are requesting that you purchase the following items listed below separately for the individual classes. These are the materials your child will need to be successful in each subject.

However, you only need to purchase the items under “All Homeroom Classes” once. These will be the items that will stay in that specific teacher’s classroom. Take-Home Folders and school supplies will be the parent and child’s responsibility each day.

Thanks so much! Looking forward to a fabulous year!
